Module 1: Daily Course & Resort Status (60-Second Morning Routine)

Every morning, golfers check our website first to see whether carts are allowed and which greens are in play. The status box is located at the very top of the admin page and broadcasts to the homepage, booking system, and clubhouse TV displays.

⛳ SECTION 1: LIVE RESORT & COURSE STATUS (HOMEPAGE & MONITORS) • LIVE SYNCHRONIZED

1. OPENING HOURS	2. GOLF CARTS	3. TROLLEYS	4. COURSE & GREENS
09:00 - 15:00 hrs	✓ ALLOWED	✓ ALLOWED	✓ OPEN
Reception & Phones	Note: stay on cart paths	Winter wheels recommended	18-Holes Regular

4-Step Quick Instructions:

1. **Verify Reception & Phone Hours**
   Enter today's service hours, e.g. `daily 09:00 - 15:00 hrs`. This dynamically updates phone assistant greetings and website visitors.
2. **Set Golf Carts & Trolleys Rules**
   Select state: **Allowed (Green)**, **Restricted (Amber)**, or **Prohibited (Red)**.
   Optional note: e.g. *"Stay on cart paths only"* or *"Winter wheels required"*.
3. **Select Course Status & Greens (Use 1-Click Presets!)**
   Select whether the course is **Open**, **Partially Open**, or **Closed (Frost/Weather)**, and whether **Summer Greens** or **Winter Greens** are in play.
   Speed Tip: The *„Schnellvorlage wählen"* dropdown automatically configures common scenarios with a single click (e.g. *„18-Loch regulär geöffnet"* or *„Witterungsbedingt gesperrt"*).
4. **Save & Publish (The Golden Button)**
   Click **„Status jetzt speichern & veröffentlichen"** at the bottom of the card.
   A green confirmation toast appears instantly. The public website and clubhouse TV screens update without reloading.

Instant Live Synchronization

Saved statuses broadcast immediately to web visitors and active digital clubhouse boards. No server reboot or manual deployment required.

Module 2: Publishing News, Tournaments & Event Photos

Create tournament recaps, culinary announcements, and course maintenance updates with crisp photos and real-time live preview.

Key Steps:

1. **Headline & Category**
   Catchy title (e.g. *„Thrilling Finish at the 2026 Club Championships"*).
   Categories: TURNIERE AKTUELLES GASTRONOMIE PLATZ & RESORT.

2. **Teaser & 16:9 Hero Image**
   Write 2–3 punchy sentences for card view. Upload a landscape photo or choose from the archive; check the 16:9 crop guide.

3. **Body Text & Formatting Toolbar**
   Format using quick buttons: + PARAGRAPH + H3 HEADING + QUOTE BOLD.

Embed Photos in Text Body
Click **„+ Foto in Text einfügen"** to upload multiple shots with descriptive captions (e.g. *„Award Ceremony Ladies Gross"*). Readers can tap photos for 4K lightbox view.
AUTO MOBILE OPTIMIZED

REAL-TIME LIVE PREVIEW
The right column dynamically displays both the **Card Teaser** (homepage) and the **Full Article** layout.

Module 3: Article Management, Cloud-Sync & Backups

EDIT ARTICLE
Click pencil icon to reload complete article into editor.

1-CLICK STATUS
Toggle **Published**, **Draft**, or **Archive** in the table.

1-CLICK BACKUP
Download JSON backup for 100% offline security.

Pre-Publishing Quality Checklist

- ✓ **Headline:** Clear, informative, and typo-free.
- ✓ **Category:** Tournaments, News, or Gastronomy.
- ✓ **Teaser:** Max. 2–3 sentences for card view.
- ✓ **16:9 Image:** Clean landscape hero photo selected.
- ✓ **Text Structure:** Subheadings & paragraphs formatted.
- ✓ **Preview Checked:** Card and article layouts look great.
